

# Small Valentine Gift Box

## What You'll Need

- 1 Square of paper

## Tools

- Scissors

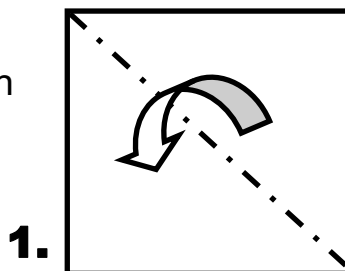

## Instructions

For this craft, all of the folds are diagonal. Be sure to crease every fold.

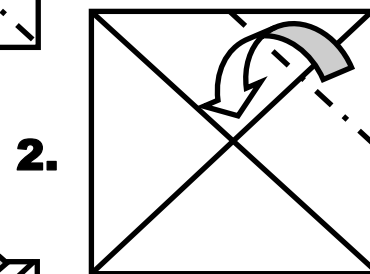

### Step 01

With the paper face down, fold the paper in half diagonally from two corners. Then do this along the other two corners.

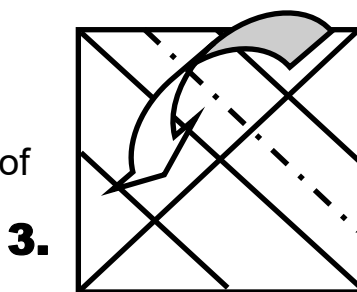

### Step 02

Open up the paper. Fold a corner to the center point of the paper. Do this for all 4 sides.

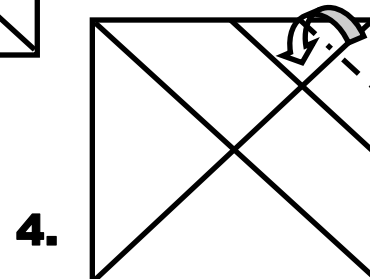

### Step 03

Open up the paper. Fold a corner to the center of the crease on the opposite side of the paper. Do this for all 4 sides.

### Step 04

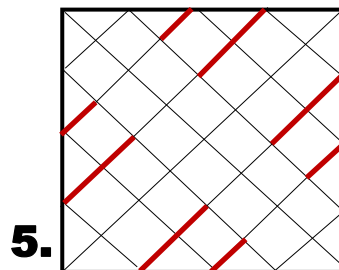

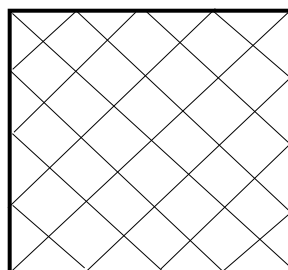

Open up the paper. Fold a corner to the center of the nearest crease. Do this for all 4 sides.

### Step 05

The paper will now have a diagonal grid pattern on it. 5.

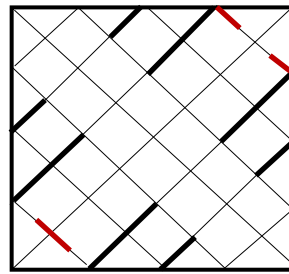

Cut along the crease where the red lines are shown. These flaps will go inside the box when it is closed.

### Step 06

Fold the paper in half along the center crease to make the tiny cuts. These cuts only go halfway along the crease. These make the tabs that hold the box closed.

6.

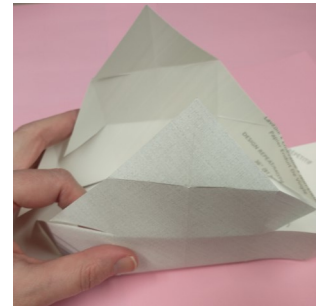

### Step 07

The center four squares will be the bottom of the box.

Fold the corners of the paper upwards at a 90 degrees angle.

7.

### Step 08

The longer flaps will fold inward and become the sides of the box.

8.

### Step 09

The corners will meet in the middle to form the top of the box.

The smaller flaps will fold down along the sides of the box.

9.

### Step 10

Fold the other 2 corners up and over the sides of the box.

10.

### Step 11

Tuck the tab into the slot on the top of the box.

Unfold the small corners to hold the box closed.

Put a surprise in the box for your Valentine!
